School Safety - Our Highest Priority

School Safety has been in the news a great deal in the last few months, especially since the February 14th school shooting in Parkland, Florida. It was also on April 20th, nineteen years ago that the Columbine school shooting occurred. On March 26th, Wisconsin Attorney General Brad Schimmel issued a press release announcing the formation of the Department of Justice's Office of School Safety. Also in this press release, he notified schools on how to apply for grant funding to be used for school safety.

Although all this publicity may shine a brighter light on school safety, please be assured that the safety of our students has always been a top priority and we have had many safeguards in place. We also have had a safety committee for some time. This committee meets monthly and is made up of administration, staff, school board, local law enforcement, and representatives of SSPP. One of its tasks is to continually create, review, and adjust procedures in the event of a crisis.

I also want to state that although it gets plenty of media attention, school shootings are relatively rare in comparison to other public places according to a study by the FBI titled, "A Study of Active Shooter Incidents in the United States between 2000 and 2013". That doesn't mean it is any less important to prepare to prevent such a disaster. Until there are none, there are too many school shootings. Although it may seem that many districts seem to be reacting to the current situation, I feel here at Independence we have been proactive regarding school safety. Although we are far from having everything we want in place, we have been working diligently in the past four or five years to improve security and prepare for a crisis if one would happen.

Our District was one of the first in the area to research an active shooter system known as ALICE. ALICE is an acronym that stands for Alert, Lockdown, Inform, Counter, and Evacuate. Even though the letters are in a specific order to form the acronym, the techniques are in no way sequential and must be executed as the situation dictates. Our staff has done extensive training in these techniques, not only receiving information, but actually practicing the techniques in both virtual and live simulations. Our next step is to continue the training with the students. Besides presenting information to students on what to do in an active shooter situation we have begun some brief "drills" with the older students. Most recently we have had students practice procedures for a law enforcement evacuation and also had them discuss with each of their classroom teachers what they could do and use to barricade a room if they needed to lockdown. These drills can be related to what we have been doing with fire and severe weather drills for decades. We are practicing what to do in case an actual event occurs. Our message to students is to "prepare, not to scare". Obviously we need to be sensitive to the age of the students and gauge drills accordingly and any "intensive" drills would be communicated to parents before actually being implemented.

I hope this brief narrative gives you some reassurance that your children are safe at school and that safety is our top priority. Sometimes students and parents don't know "why" we have some of the rules in place such as rules about backpacks and where students can enter and exit a building, but I hope that in many of these rules, the safety and security of our school comes into play and therefore this factor trumps the "inconvenience" of the rule. Our students have been very receptive to these procedures and drills and have given us valua-

ble feedback as to how to improve the safety of our school. I am most proud of the position many of our students have taken in regard to preventing school violence by addressing bullying and acceptance of ALL students. We will continue to talk to students to get their perspective and feedback and to make them feel as safe as possible at school. It's another aspect to being the "Best School Ever".

Bärry Schmit
District Administrator/High School Principal

Vanderloop Scoop

We Need You: Their Future Starts Now!

As I reflect upon another year of service to the students and families of Independence I am drawn to the support we receive as a school district. Internally, we have so many dedicated staff who spend countless hours beyond their contractual obligations to help students reach their goals. This is done through lesson planning, checking of student work, parent meetings, committee meetings, lunch support, after school support, and extra duties that make this building a great place to work. The summer months are fast approaching and our staff continues to amaze as they focus on wrapping up this year. What impresses me is their vision for the future. They are already asking questions, and planning for next year. We are getting smarter about helping your child get smarter towards a successful future! Our internal community is one of focus and strength for each child we serve.

As the vision of community grows beyond our walls, I do not need to think long about the support we receive from local organizations. Most recently, and specifically, the Lion's Club sponsored a Family Fun Reading Night for our children. Another community event, school-wide Title I night, brought in some great families for a night of dinner, relaxing and reading.

Thanks to the Elk Rod & Gun Club, our middle school students were making connections with Science when working at Bugle Lake. These events would not be possible without the love and support of our internal and external community partners! Thank you to all organizations that have helped us this past year.

As you have read, and understand by now, the community support is far reaching. We view these partnerships as a necessity towards students success. Without all of us working together with a common vision, we cannot make lasting impressions on students and help our community grow. I want to recognize members of the community who often go unrecognized: parents and guardians. We know the importance of family connections and support to a healthy school environment. Children are more successful in school when their family is supporting what their child is doing in the classroom. Overall, we have had great support from our parents. We continue to have successful parent communication either through phone, email, or face to face communication.

Each of these community partners should have one motto in common: we want to prepare our children for a successful future! Summer is fast approaching and soon our children will be out of our school walls and into the walls of our community. Our children will be visiting the library, beach, playgrounds, and even JoJo's Drive-In. To continue to help support our children, I need to ask each community member to look out for our children. When you see them around town, ask them about their day. Ask them what they are reading this summer. Ask about their future hopes and dreams. The more we can get them thinking past today the stronger their activities will help shape a stronger tomorrow. Tell them

you are proud of the person they are becoming. Tell them you believe in them and want them to be safe. These simple words of encouragement can shape the thoughts and actions of our over 400 children in our community. We want them to be responsible and respectful young citizens of our community this summer and in the future. Your involvement can lead them down this path to success. Thank you for being a positive, active community member for our children!

With Indee Pride,

Robert Vanderloop
 PreK-8 Principal/Director of Special Education

 vanderloopr@indps.k12.wi.us

INDEE APPAREL

The Booster Club has Indee Apparel for sale. It is cash and carry. Sizes are kids Small through Adult XL. Sizes and styles are limited. Stop in the school office for more information.

Go Indees!

Did you Know?

Did you ever find yourself not being able to attend a concert or event that one of your family members are a part of? Well, don't miss another event! Many of the events, including concerts, special presentations and graduation, are live streamed using the school's Polycom camera. On the day of the event, log into the school's website (www.indps.k12.wi.us) and on the left side of the page there is a link called Indee TV Live. If you are not available to watch it live, you can also click on the link Indee TV and there are archived events listed.

Enrichment Program Recap

Elementary Spelling Bee

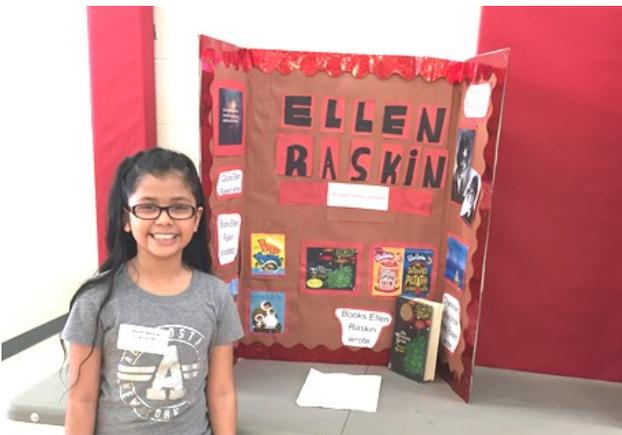

Our District Spelling Bee was held on March 13, students in grades 4-8 qualified for the district spelling bee by achieving 80% or higher on a spelling test of 50 words ranging in degree of difficulty. After several rounds of spelling Kendra Suhr was deemed the champion and Drew Bragger was our runner up. They both traveled to Westby, WI on March 22, 2018 to compete against other area spellers. They both did very well lasting through several rounds.

HERITAGE FAIR

Our 4th grade students have spent many hours researching and writing about an event, location or person, that has contributed to Wisconsin heritage. The Mississippi Valley Gifted and Talented Network sponsored the Regional Heritage Fair on April 19, 2018. Fourth Grade students from area schools put on a showcase of their Heritage Fair projects. Project topics ranged from the Peshtigo Fire to Wisconsin Dells to Cheese Curds to Frank Lloyd Wright. All students were required to write and memorize a speech as well as have a visual presentation. Our students presented their projects to staff members, who served as judges and selected 4 projects to attend the regional fair.

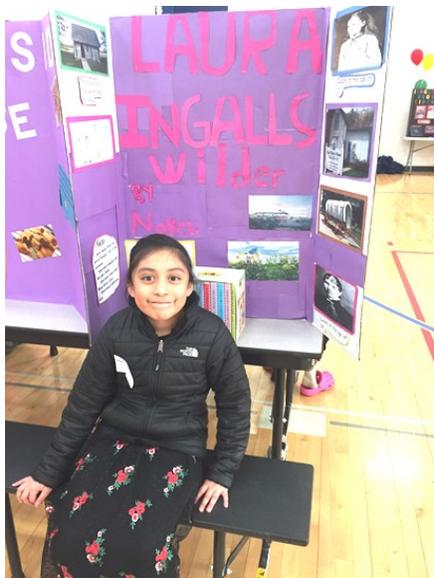

These students presented their projects to be critiqued by another judge at the Regional Fair and also listened to presentations on one woman's sole trip of kayaking the Mississippi River as an Adventure Artist and they learned about running an apple orchard from Ecker's Orchard. Sara Ecker told us about how different birds are helpful and that some can hurt the apple production. The students had a great day listening to others present their projects and learning about Wisconsin History.

Naydi Morales Cervantes "Ellen Raskin"

Cristal Sandoval "Wood Violet"

Nayeli Ortiz Hernandez "Laura Ingalls Wilder"

Owen Gierok "Dairy Farming"

KIDS COLLEGE

9 of our 5th grade students also traveled to UW-La Crosse on April 5th, to experience what it is like to go to college. Kids College allows area students to participate in classes just like they would if they were a student on campus. This experience gives our students the idea of what it is like to be a college student and to show them that if they work hard going to college is something they can attain.

Teresa Najera, Kia Back, Camilla Cantu Lucio, Lillianna Young, Andrea Acahua-Greenwold, Lucas Halvorson, Drew Bragger, Dilan Dallman, and Jack Lopez Maldonado

To finish out the year, we will have students participating in Battle of the Books and Kids College. In the Battle of the Books event, students read 40 books over the course of the year and will compete against other area teams. They will be asked to remember details from the books and give the title and author to correctly answer each question. Points are awarded and the team with the most wins will be deemed Battle of the Books champion.

It has been a great year providing enrichment opportunities for our students. There are several summer camps at area universities where students can continue to learn about topics that interest them. If you would like more information please contact Melissa Pientok at 715-985-3172.

Use of Our School

The following are Adult/Community Opportunities to use our school:

- Walking and community exercise 5:45am – 10:00pm
- Meeting Areas/Rooms available on request by calling the office
- Athletic facilities can be reserved by filing a Facilities Request form available at the school.
- Weight room with a membership (see Leslie Kampa in Student Services)

TO: Families of Independence Students Grades 6-12

We would like to acknowledge students for taking exceptional care of the laptops again this year. The District leases these devices from Apple, and in the summer District Technology Staff will be going over the laptops to make upgrades to software and your laptop will be reimaged. As a result students will be "checking" the laptops back in prior to the end of the school year. Below is a summary of the process.

All students in grade 6-11 will be returning their laptop to school for **Summer Check In on June 5, 2018**.
Seniors will be checking in their device on May 23, 2018.

Prior to May 23, 2018 (for Seniors), all students should make sure any files saved to Documents or on the Desktop are moved to Google Drive and that you have Synced Google Drive. Anything not saved to Google Drive will be erased when we reimage the laptop. Please see Mrs. Pientok or Mr. Xiong if you need assistance with moving your files.

On May 23, 2018 and June 5, 2018, each laptop will be collected and checked in by the student to Mrs. Pientok and Mr. Xiong. Students will be called from class by grade level to bring their laptop, case and charger to the Cafetorium or other designated area. This allows the tech staff to look over the laptop and accessories to determine if there is any damage and/or if the student will be charged a fee associated with any damage that is found.

Damage resulting from negligence will be a charge of at least 40% if the cost for a first offense. Students should be reporting any damages on their laptop as soon as they occur, so that our staff can determine if the damage is a result of negligence and determine whether or not a fee will be assessed.

When students check in their laptop, they will need the following:

- Macbook Air
- Case
- Macbook Charger, Extension Cord and Duck Head

If the student does not return the Apple approved charger at the time of check in, they will have until the end of the last day of school to check it in or will they be charged in full for the Macbook charger. **Cost of charger is \$80.00.**

Students, if you are using a charger that is not Apple approved you are at risk at causing damages to your laptop. Any damage that may occur as a result of using a charger that is not Apple approved will be determined as negligence and you will be charged a fee as stated in the Digital Learning Initiative.

During the check in time the Technology staff will be looking for the following things:

- Dents and Dropped Damage
- Missing or Damaged Keys

Independence School District

23786 Indee Blvd., Independence, WI 54747

 District Administrator
 9-12 Principal

Robert Vanderloop
 PreK-8 Principal
 Director of Special Education

Dawn Woychik
 Director of Curriculum & Instruction
 Guidance Counseling

Melissa Pientok
 Technology Integration Specialist
 Enrichment Coordinator

- Trackpad Issues
- Cracked screen, Pixel Issues
- Case Condition
- Functionality of Device

Any damage that is found on the laptop that results in the laptop not working to optimal functionality and is the result of negligence will be assessed a fee. All fees will need to be paid prior to the start of the 2018-2019 school year or your child will not be able to pick up their laptop at Family Learning Day. In the event of damage caused by negligence (failure to take proper care), the student and parent may be billed a fee according to the following schedule and payment must be in full within 3 months of the billing:

- First incident -- the greater value of 40% of the cost to repair the device
- Second incident -- the greater value of 80% of the cost to repair the device
- Third incident -- full cost of repair or replacement of device

Some examples of damages that have occurred and the cost associated to fix the device include:

- Crack Screen: Replace screen cost \$500
- Dead Pixels: Replace screen cost \$500
- Missing Keys: \$15- \$150
- Damage to Charging Cord: \$80

We would like to thank you again for your support with the laptop 1:1 initiative and for your efforts in keeping the laptops in good care. We look forward to a smooth check in process that will allow us to keep these laptops in the best possible shape for future educational use. If you have any questions or concerns, feel free to contact Mrs. Pientok or Mr. Xiong

Thank You,
 Independence Tech Department

As a reminder:

Students in grade 6-12 will be able to pick up their computer on August 29, 2018 as part of Family Learning Day!

MONDAY – THURSDAY

8:00 am – 3:00 pm

FRIDAY

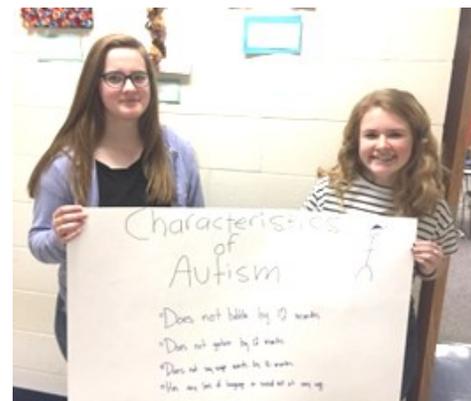

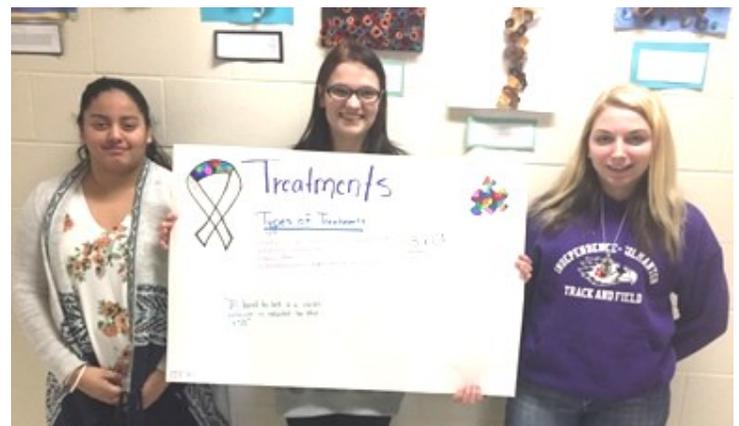

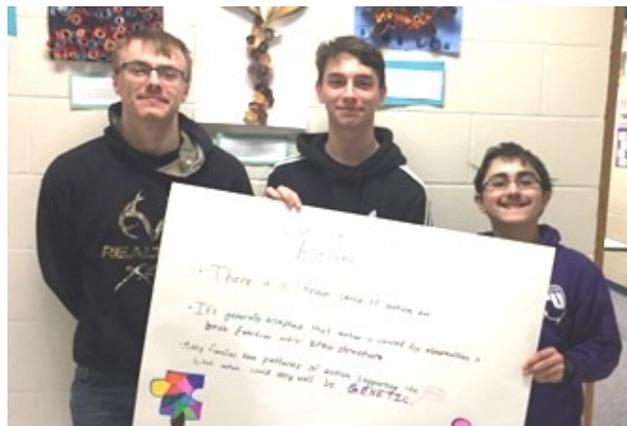

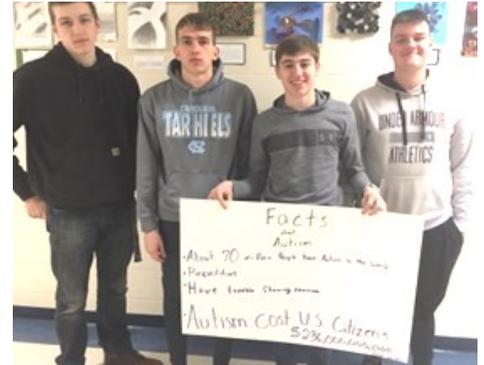

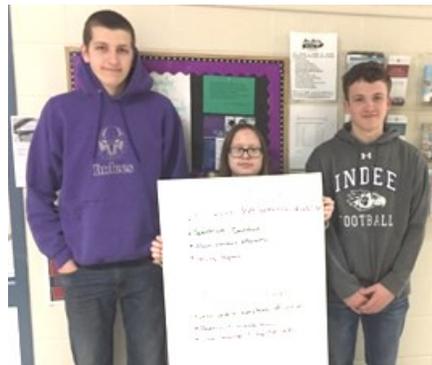

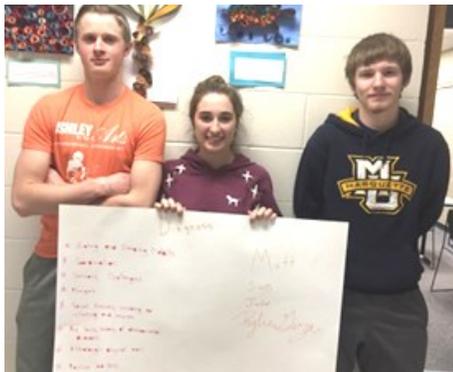

CLOSED

April is Autism Awareness Month

The students in Ms. Hruza's and Mrs. Olson's English 11 class are studying autism and making connections to the main character in the book "The Curious Incident of the Dog in the Night Time" by Mark Haddon.

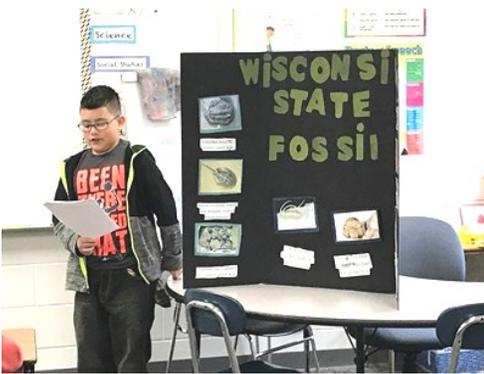

April is Autism Awareness month, and the English 11 students used what they were learning to make informational posters to hang up in school!

The student body showed their support of Autism Awareness Month by wearing blue on Friday, April 6th, following National Autism Awareness Day celebrated on April 2nd each year.

4th Grade Heritage Fair Projects

Happy Fourth Quarter Indeeds! The fourth graders have been working really hard the past couple of weeks. They have been working on their Heritage Fair Projects in the classroom and also during computer class with Mrs. Pyka and Mrs. Pientok. For their Heritage Fair projects, they had to pick a topic based off of Wisconsin. For example, some of the topics were dairy farms, Green Bay Packers, white tailed deer, and also state symbols. After they picked their topic, the students researched that topic and wrote a speech. Once the speech completed, they were able to build a tri-fold board display

James Carrillo Taylor

full of pictures, fun facts, and anything else that went with their topic. Some students even bought in prompts to enhance the tri-board displays. After

the students presented their speeches in front of their classmates, Mrs. Pientok, and Ms. Matejka, four of the students were chosen to go to the regional fair in Galesville, WI. Those hard-working students were Owen Gierok, Naydi Morales Cervantes, Nayeli Ortiz Hernandez, and Cristal Sandoval Lopez. At the regional fair, they were able to listen to speakers talking about

Mareni Xochicale

apple farming and traveling

the Mississippi River. Also, they were able to talk other students about their projects. The fourth grade class did a fantastic job!

Jacob Hubbell

Teach Children to Save Day

On Friday, April 20th it was National Teach Children to Save Day. Tom Jensen, President/CEO of the Independence State Bank came and gave a presentation to the first grade students. He read them an interesting story about saving money. He asked them questions about what they save their money for-- their answers were quite impressive. After the presentation he gave each student his/her very own Independence State Bank bag with a shiny golden one-dollar coin.

8th Grade Students Think Ahead at Junior Achievement's Career Day in Altoona

Once again, the 8th grade students were able to attend Junior Achievement's (JA) Career Day earlier in the month. This was the third year our 8th grade class has been in attendance at JA's Career Day. First, students were able to learn about the multitude of career options in the area by visiting with local businesses at a career fair. Students heard from professionals in the medical field, law enforcement realms, entrepreneurs, the hospitality business, and more. Afterwards, students toured Chippewa Valley Technical College's Health Education Center and were blown away by the potential opportunities they offered if they chose to attend one day. It was a fantastic day that has our 8th grade students anticipating the many adventure that await them.

Breanna Kulig investigates just how much volume her lungs can hold when learning about CVTC's Respiratory Therapist program.

Kevin Halvorson, Brayden Creebo, and Kaci Kahler learn more about running a business from the founder and owner of emBARK, Heather Mishefske.

ATTENDANCE POLICY

All parents are reminded to call the school by 9:00 a.m. on the day of your child's absence. Failure to notify the school by 9:00 a.m. may result in a disciplinary action for the student. We appreciate your cooperation on his. Again, if parents do not call, then we will call to confirm the fact that parents know where their children are (either at home or school), and that our children are safe. Thanks for your cooperation.

attendance
MATTERS

Family Fun Reading Night

On Wednesday, April 4, the Independence Lions hosted their sixth annual Family Fun Reading Night at the Independence Public School. Students in grades 4K through 5 at both the public school and SS Peter and Paul were invited, along with their parents. In all, about 50 people came to school to enjoy reading-centered family activities.

The evening began at 5:30 with a supper of barbecue, hot dogs, chips, carrots, fruit, bars, and milk. At 6 PM participants were invited to choose which activity they would engage in for a 20 minute period.

Among the choices were making bookmarks, previewing the gift books, playing board games, completing word searches and hidden pictures, finding out about the Summer Reading Program at the Independence Public Library, trading books at the "Little Free Library for a Night" book swap tables, and listening to Celebrity Readers Tom Jensen, Rob Vanderloop, and Girl Scouts Cora Sonsalla and Rhiana Theisen read their favorite books. Again this year Lion Dan Backman brought his guitar and taught kids some new songs. The evening was structured so that participants could change two more times before the 7 PM drawing for door prizes. At the close of the evening, each child was allowed to choose a book to take home.

goes to Miss Independence Nevaeh Scow and attendant Melanie Ovalle for helping and to Girl Scout Leaders Renee Casper and Tiffany Theisen for bringing their scouts to help with the evening.

80's Junior PROM 2018

This year's prom was a throwback to the 80s. The junior's decorated the historic opera house in streamers and balloons in classic "school dance" style. The classic balloon arch topped off center stage and added some fun to this year's grand march. Court members were Ethan Bautch, Chase Cooper, Logan Dahl-Abramczak, Carter Koval, Ean Wright, Rylie Guza, Ashley Lundgren, Nevaeh Scow, Lynnsey Tuschner, and Daniella Warner. The newly

crowned Prom King and Queen were Ean Wright and Daniella Warner. The juniors would like to thank all of the parents and organizations that made this memorable night possible!

Thank you Jack "Java" Baecker

Thanks to Jack "Java" Baecker, the School District will be getting a new Marquee. Earlier this school year the District had communications with Independence mayor Robert "Ottie" Baecker about needs that both the District and City may cooperate together on. One of those needs was a new District marquee that could also be used to help publicize City events. The current marquee was erected when the school was built so it is about twenty years old. While Athletic Director Jeff Ruhland requested bids for a new marquee, Mayor Baecker looked for funding. To our delight he found a willing donor in his

brother Jack, who is better known as "Java". The District is very grateful to "Java" for his \$30,000 donation towards the marquee project which is up and running. For anyone who knows "Java's" fun loving spirit, he jokingly (at least we assume jokingly) said his motivation to donate to the school was "so his brothers and sisters wouldn't inherit his money". In the picture below "Java" is flanked by District Administrator Barry Schmitt to his right and School Board President Joe Bragger to his left.

Yearbook Pictures Wanted

The yearbook is in need of your help. If you have fantastic pictures of our Indee students playing a sport, having fun cheering at a game, or just plain fun, candid pictures, please submit them to Alie Bultman so that we have a lot of pictures to choose from for the yearbook this year. We are looking for all ages 4K-Seniors. Please remember that all high school pictures will be considered for the high school yearbook and all elementary and middle school pictures will be considered for the elementary/middle school yearbook. Please take and send pictures throughout the school year. Please call Alie Bultman if you have any questions at 715-985-3172, ext. 139 or via email at bultmana@indps.k12.wi.us. Submit pictures to her email as well.

Thank you for making Prom 2018 a great success!

Post Prom 2018

We had 82 students that attended post prom. The students had a bean bag tournament, with Al Woychik and Jordan Matchey winning the tournament. Daniella Warner and Jesse Pientok took 2nd place. We also had a large inflatable for the students to play on. There was an obstacle course/race that all 4 classes competed in. The freshmen won the race after having finals.

We had plenty of food - pizza, bars, and ice cream sundae bar. We also were blessed to receive numerous donations!

Thanks to the volunteers: Todd Matchey, Jill Scow, Ms. Hruza and boyfriend, Amanda Killian, Pata Warner, Theresa Fredrickson, Bill & Connie Guza, and Sandra Koval. Also, a big thank you to Chad Halverson.

The Indee Powerlifting Team Finished the Season with a Bang, State Runner Up, Back to Back!

Marking the team's best finish in all the years of existence. In early March, the team of Jennifer Salazar, Geri Fredrickson, Madelyn Woychik and Elvecia Najera competed at the Wisconsin High School Powerlifting Association state championships. The event was held in Mauston, WI, and the team didn't disappoint as they brought home state runner up honors for the

second year in a row. Individually Elvecia Najera placed 9th, Madelyn Woychik 3rd and Geri Fredrickson and Jenni Salazar came in second.

At the end of March, Indee Powerlifting traveled to Appleton, WI to attend the USA Powerlifting National Championships. The team finished 5th in the nation, with Madelyn Woychik, Jenni Salazar and Elvecia Najera all placing third in their classes. Geri Fredrickson placed 2nd to round out the placings. A huge thank you goes out to the lifters, coaching staff, parents, and the community for supporting our endeavors.

Congratulations Chloe!

Chloe Cooper brings home gold as she attended USA Powerlifting's Youth Nationals in Spokane, WA. Chloe competed in the Youth Division for Indee Powerlifting, and set three records for her squat, bench press, and deadlift on her way to becoming a national champion!

2018 WIAA Scholar Athletes

Isaac Pape and Cassidy Kabus were selected as the local nominees for the WIAA Scholar Athlete award. This award encompasses academic as well as athletic accomplishments. Each year, member high schools of the Wisconsin Interscholastic Athletic Association are invited to nominate one boy and one girl for Scholar Athlete honors. The nomination is based on criteria set by the WIAA. The program, which is underwritten by Marshfield Clinic, was launched in 1984 to demonstrate the positive impact of interscholastic athletic activities.

Isaac and Cassidy have represented Independence High School with honor and distinction, both in the classroom and the arenas of competition. This award will be presented to them at both of the spring award banquets. Once again, congratulations on receiving this recognition.

High School Forensics

The 2018 High School Forensics season has drawn to a close and the Independence team has had a successful year!

February brought our first real contest, Sub-district, held at Whitehall High School. Team members need to score 16 or higher [out of 25] in two of three rounds to earn the right to go on to District Contest.

District was held at UW-LaCrosse on March 10. Amy Lien, Poetry; and Gipsy Rodriguez, Poetry scored 20 or higher [out of 25] to earn the right to go on to State.

The team traveled to UW-Madison for State Contest on Saturday, April 21.

At State, Gipsy Rodriguez won a bronze medal, and Amy Lien, won a gold medal for her perfect performance.

Congratulations, Gipsy and Amy! Coaches Holly Knudtson and Susan Solli are very proud of you!

Attention: High School Volleyball Athletes

- The first day of practice is Monday, August 13th
- Parent/Athlete Meeting & Athletic Code Meeting is Tuesday, July 31st.

- You must have an up-to-date physical form on file before you are allowed to practice. Schedule your appointment prior to August 13th
- Have a great summer. We are looking forward to seeing you in the fall!
- Check out the internet for some Volleyball Camps or contact one of your coaches for more information.

Tractor and Farm Machinery Safety Course

Independence Public Schools is offering a **Tractor & Farm Machinery Safety course** as an enrichment summer course for middle school and high school students. This class will be held **June 19th, 20th, 21st & 22nd** from 9:00am-3:00pm, and will be **offered at Whitehall High School School (Ag Room)** being taught by Independence, Arcadia, and Whitehall, and Eleva-Strum Agriculture Instructors. Students will learn how to operate tractors varying from 30-200 horsepower. The cost for the course is \$15.00 to cover the cost of the work book, which the student keeps. Students that are 12 years of age who will be operating tractors or self-propelled farm machinery on public roads for their own family need this certification, as well as youth 14-15 years of age need the federal certificate of training for employment on farm in accordance with Part 570, Child Labor Regulations. Please bring a sack lunch each day. To register, please contact Independence Ag Instructor Jason Hovell at 608-534-0024, or via email at hovellj@indps.k12.wi.us. Registration for Tractor Safety is requested by June 1st. Transportation can be provided if needed if expressed to Mr. Hovell by June 1st.

Welcome to Independence!

If you, or someone you know, has children ages 0-21 please complete and return the attached form so that we can better plan for the educational needs of students in our community.

Why Independence Public School?

Students come first

State of the art technology

Small class sizes on a 4K-12 campus

Progressive practices in curriculum and instruction

Most students graduate with 6 or more transferable college credits

And much more!

If you have questions about our district please feel free to contact any of our administrators:

¡Bienvenido a Independence!

Si usted, o alguien que usted conoce, tiene niños de 0 a 21 años, complete y devuelva el formulario adjunto para que podamos planificar mejor las necesidades educativas de los estudiantes de nuestra comunidad.

¿Por qué la escuela pública de Independence ?

Los estudiantes son los primeros

Lo último en tecnología avanzada

Clases pequeñas en un campus 4K-12

Prácticas progresivas en el currículo e instrucción

La mayoría de los estudiantes se gradúan con 6 o más créditos universitarios transferibles

¡Y mucho más!

Si tiene alguna pregunta sobre nuestro distrito, por favor comuníquese con cualquiera de nuestros administradores:

ELEMENTARY-Grades 4K-5

SHOES: 1 pair of non-marking shoes. This pair will remain at school and will be labeled by their teachers as "Inside" shoes. The "Inside" pair should be a "sneaker" shoe with a soft rubber non-marking sole that is easy to take on and off. Upon entering the school each morning, every child will change their "Outside" pair for their "Inside" pair. The shoes/boots worn to school each day should be a sneaker or other closed toe/heel shoe that can be worn in the playground wood chips.

We Appreciate your Support!

Please continue collecting for our school. The money earned goes towards field trips for our students in grades 4K through 8th grade. Items that you can collect and bring to our school include:

- Box Tops
- Milk Moola Caps and Bags
- Pop Tabs
- Cans 4 Kids (aluminum cans)
cans can be put in fence by football field

BOXTOPS 4 EDUCATION

Thank you to everyone that sent Boxtops in this year! We will continue to collect Boxtops for the 2017-2018 school year. Our goal for this year is \$1,000. Please help us reach our goal by sending Boxtops to school. They can be sent with a student or dropped off in the main office. Last year the money raised was used to support field trips. Again, thank you for your efforts.

Don't Forget to Collect BOX TOPS!

and send them to your school

Independence Public School Memorial Scholarship Fund

The purpose of the Independence Memorial Scholarship Fund is to support and encourage students to continue their education by granting yearly scholarship awards.

The Independence Public School Memorial Scholarship is a Fund of the Eau Claire Community Foundation.

DONATE TODAY >>>

Send your donations to Eau Claire Community Foundation, 306 S. Barstow St. Suite 104, Eau Claire, WI 54701 or donate online at www.indps.k12.wi.us, the School District of Independence. Please note the Independence Public School Memorial Scholarship Fund on your check.

Everyone, Every Day

CHECK OUT OUR WEBSITE

www.indps.k12.wi.us is the web address for our dynamic website which is changing and evolving. We are hoping to make our website a 1 stop place where parents find information on school, school events, forms, the school calendar, lunch menu, and more. Where students find resources. And where anyone can go to find information on our district, where you can access our community link and find information on our Indee Booster Club, the Fitness Center, a link to our Volunteer page, current and past newsletters, School Board minutes, videos, and more.
