

Independence Child Development Days

WHO: Children who are 2 ½ to 4 years of age by April 15, 2015. Children who have not been screened before and children whose parents are concerned about their development are also encouraged to attend.

WHEN: Wednesday, April 15, 2015, 4:00-6:00 PM

WHERE: Independence Elementary School

WHAT TO EXPECT:

Your child will be encouraged to participate in a play group where these early learning skills will be observed: communication, cognitive, motor, and social development. Vision and hearing will also be screened.

To schedule your appointment, please call: (715) 985-3172 ext 107 or 110
