

INSERVICE EDUCATION

Each school district shall establish a procedure by which its teachers, supervisors, administrators, and other professional staff members formulate a long-range in-service plan and operate an annual in-service program for all professional staff members. The plan and program shall be directed toward meeting the cooperatively identified needs of the district and of individual staff members.

A) Teachers shall take part in such activities a teacher institutes, curriculum studies, and other meetings assigned by the Administrator.

B) In-service meetings will be held according to annually approved calendar dates. School will be dismissed at the specified time in order to allow all teachers to attend these meetings.
